THE GAFFER

SIMON WEAVER

We come into today's game against Mansfield with a lot of optimism on the back of a good result against Colchester United.

Anytime we go up against Mansfield it is always a big challenge. We know that our home form must improve and we can start to turn that around here tonight with a top performance.

To do that, we need our 12th man which is our supporters. Psychologically, having the home support behind the players is uplifting so please do give your backing to what is a very honest group of lads. Saturday was a difficult journey but so many made the trip and it was great to send them back with three points. To see so many there means a lot to myself and the players.

There is no doubt about the fact that Saturday was a hard fought win. To come out on top of clashes like that means there is always a buzz about the changing room afterwards. It was also our first win at Colchester, that was an important hurdle to overcome.

When you go away to teams like that, it's always something which comes up in discussions and when we picked things up in the second half we got the result that we knew we were capable of picking up.

I was pleased that the players and the fans got what they both deserved too. We stepped up our performance in the second half, we reacted well to the disappointment of conceding and got the second goal when we were on top.

Coming off the bench, I think Sam had such an impact to turn the game on it's head. He set up Matty who got a goal which his recent play deserved and produced a wonderful finish to earn us the three points.

As a coaching staff, we want to pride ourselves at how

we bounce back from disappointment. That entire performance on Saturday is a fine example of what we want our teams to be like.

Mansfield have been picking up some really impressive results this season and are arguably one of the best sides in the division. They have settled into a rhythm well and I'm sure coming here they'll be determined to keep themselves at the right end of the table.

Since we were promoted, we have enjoyed a good record against them. We can take pride from that but if we are to maintain that we need to be at our very best.

Training on Monday was in good spirits. However, speaking with the players you could see that there was a real determination within them to keep this good feeling going.

The only way we can do that is to stay true to ourselves. We need to be resolute defensively, get the ball forward with pace and when our chances come we want to make sure that we take them.

Enjoy the game

Simon

THE SKIPPER

JOSH FALKINGHAM

It is great to come into this match on the back of three points against Colchester which is a really tough place to come and to be fair. We have been in that position before where through one small mistake we found ourselves trailing. However, the response of the lads was perfect.

That instant response from Matty Daly was a really good sign for me. It's not easy to pick yourself up when you concede an unfortunate goal and for me it's one of the toughest tests you can face mentally.

The lads showed how well they can react under that disappointment. At level terms as well it was always going to be a finish of the highest order to split the sides. Sam produced that moment of magic to get the lads the result they deserved.

For those who made the journey, I'm sure it was a long trip back but we were glad to send them home with three points. We are in a really good spot of form away from home and it's great to have that confidence behind us.

However, we have to focus our attention on improving our performances on home soil. As players, it's a great feeling to send the traveling support home happy but we need to start sending our home support happy now as well.

Mansfield are one of the best sides in this division, going up against them draws a lot of similarities to the test we faced against Stockport. We know how difficult it can be if we don't perform to the best of our ability.

In the past, we have enjoyed some really good performances against Mansfield, we have to get back to that level tonight. If we can do that, we will have the home support behind us and that gives us a fantastic opportunity to keep this good feeling going.

In order to do that, we need to keep cool heads. When good sides come to our place we have to be able to

soak up that pressure, we can't be gifting goals away and chances which can be avoided.

On the other side of that, we have shown that we can move the ball quickly and score goals. With the pace we have, we know that we can impact games in the blink of an eye. That quality is enough to put any defence under pressure and hopefully we can score goals.

I'm sure Mansfield come here with a lot of fire in their belly. This is probably the best start I have seen them have since we got promoted to the football league. We have to be fired up and ready to go from the start, we have to make sure we keep our energy levels as high as possible.

If we manage to do that and control the key moments in the game then I am confident that we can come out on top.

A WORD FROM FAN ENGAGEMENT MANAGER

HAMILTON MATTOCK...

Hello and welcome to tonight's game against Mansfield Town. I am already looking forward to our away trip to The One Call Stadium in February - I always enjoy the visit to Mansfield as it's what I call a proper stadium full of character and passionate support.

Throughout the season we receive a lot of Charity requests and we do everything we can to help, as well as where possible, using our media platforms to raise awareness. Recently, for example, we have donated a signed shirt to be auctioned off very shortly for the **92 + 2 Challenge**. We have also donated two signed players shirts to help raise funds for a **Fire Engine For Ukraine** which raised just over £200 towards the charity.

On that, I'd like to congratulate Paul Hutchens, Scott Jenkin and Glen Pember (pictured below at Town), who have completed their mammoth 92 + 2 Challenge. On Monday 2nd October 2023 at 4am, three Cornish chaps took on the challenge of visiting all 92 Premier League and EFL grounds plus Wembley Stadium and Twickenham by car!! The target was to complete the challenge in 92-hours! They managed to complete the challenge in a time of 87 hours, 57 minutes, and 57 seconds, along the way, collecting memorabilia, kindly donated by the football clubs to be auctioned off.

So far, they have raised over £4,000 for three amazing charities - Children's Hospice South-West, Cornwall Hospice Care and The Terry Pryor Trust.

Please donate by following the below link

Please enjoy the game, bang that drum, and sing your hearts out! It really makes a difference.

STEPHEN DOOLEY

HAVING SPENT CLOSE TO AN ENTIRE YEAR ON THE SIDELINES, OUR EFL TROPHY MATCH AGAINST ACCRINGTON MARKED AN IMPORTANT STAGE IN STEPHEN DOOLEY'S RETURN FROM INJURY.

THE MIDFIELDER, WHO HAS SUFFERED FROM A HERNIA AND A SEVERE CASE OF OSTEITIS PUBIS WHICH IS AN INFLAMMATORY PELVIC CONDITION, STARTED THE MATCH FOR THE FIRST TIME IN NEARLY 12 MONTHS. REFLECTING ON HIS SPELL ON THE SIDELINES, DOOLEY COULDN'T HIDE HIS DELIGHT AFTER COMPLETING THIS IMPORTANT LANDMARK IN HIS RECOVERY.

INTERVIEW BY NICKOLAS MCGINALLY

"It feels amazing to be back out there to be honest. It is everyone's worst nightmare to be out injured and I was out for so long. I think that time out has helped me to appreciate everything in football more.

"Obviously, collectively we conceded too many goals in that one. It was a tough one to take having scored three on the night and we know we should have done better.

"Personally, it felt good to get through 90 minutes, my body felt good after and it felt great to be involved in a proper game.

"There was a time where I wasn't quite sure if I would get back out there. Now, a year later, to be back involved feels great. It definitely gives you perspective, if I'm having a bad day I can look back at how things were then and know I'm in a much better place now.

"Some days you're going out, it's raining heavily, it's really cold. However, thinking back, this time last year I was stuck inside, in a lot of pain trying to do a training program of exercises. That definitely helps you, not just to train hard but also to enjoy what you are doing."

After signing for the club last summer, Dooley recalls his eagerness to impress and nail down a place in the squad in the early days of last season. However, while doing this, a slight pain in his pelvis began to develop.

"It came on quite quickly really. It was right at the start of the season, I had managed to get through pre-season and felt fine going into the league campaign. At the end of the Crewe game, I started to feel a little bit of pain but I didn't think too much of it.

"After that it crept up on me, the pain and discomfort I was in came up pretty quickly, by the time I eventually stopped playing it had got quite bad.

"I was at a new club and didn't want to stop playing really. Of course, you can start to question yourself and what you are doing. I have had a lot of time to reflect, it's all ifs and buts.

"You can ask yourself what could have been handled differently. However, I tried to carry on as much as possible because I was playing regularly. Eventually, it got worse and worse and it got to the point where I had to stop. Crewe was at the end of August, right through September I was doing everything I can to get

through sessions and games. I didn't feel right, I played against Salford and Stockport but ended up getting taken off at half-time in that one. I was desperate to get back in the team and was pushing my body to try and overcome it but I just couldn't.

"I couldn't really do anything without being in pain, I couldn't kick the ball, I couldn't run and that was when I knew I had to say something. I wasn't helping the team, I wasn't helping me and I couldn't really see anyone I was helping by carrying on in that way."

After reporting the issue, the Northern Irish midfielder admits that this was just the beginning of the process as investigations began to understand the route of the discomfort.

"It was a pelvis/groin related injury, it wasn't something I had experienced before. I had to go for MRIs, I had to go for scans and eventually had surgery on it. A lot went into finding out what the issue itself was. There was a lot of moving parts and it was quite a complex injury. Pain in that area is quite difficult because everyone can have pain there for different reasons and that meant we had to do a lot of work to get to the bottom of things.

The surgeon thought I had a hernia in there along with some inflammation of the bone. They wanted to repair that and it took a long time to recover. I couldn't really do very much without experiencing pain after."

After a successful operation, the midfielder began his road to recovery but the slow nature of this process was a source of frustration.

"I didn't really have a timeline. There are several injuries with set time frames before you can return and with a program to follow for that return. That would have given me a structure but I didn't have that because of the nature of my injury.

"We had to take things one day or one week at a time. That was definitely tough but eventually we managed to come through the other side. There were weeks where I felt ready to take a step forward. However, when you up the load of what you're doing then my body wouldn't react well. I remember doing that and then the next day waking up in pain.

"After that, it was about trying things out and learning what works and what doesn't. I had good weeks and bad weeks but for me I had to feel

like I was generally heading in the right direction and thankfully recent months have helped me to do that.

"I managed to do a lot of bike sessions which wasn't too painful. However, that isn't the same as running around and being able to be around the lads. I was trying to do anything I could which didn't cause me pain. However, there was a lot of weeks where I wasn't able to do a whole lot.

"It's definitely the worst part of being an athlete. I was at a new club as well of course and I was desperate to get out there and playing so that was definitely a frustration."

With the 31-year-old unable to recover in time for the end of last season, Dooley admitted his attention quickly turned to starting the new season strongly.

"At the end of last season, I knew that I was improving but I wouldn't be ready to go come the start of pre-season. After safety was secured, I felt ready to have a mental break after what had been a tough.

"I wanted to come back in refreshed and ready to go again. Thankfully I

was able to do that, I didn't go straight in but I definitely think that we managed my return well.

"I have been training for two months now and so far I've been able to take part in every session since I've come back. That has allowed me to be in a place where I feel ready to return to action."

Reflecting on what was a busy close season, Town's number 22 is pleased to see his hard work paying off.

"You have to do things properly. I was able to do a bit of strength and conditioning work over the close season which I couldn't do last year. I definitely think using my off-season program and having that extra little bit of time off helped me to take a step forward.

"I felt much better and from there things started to pick up. Slowly but surely I was able to get back out on to the pitch. At first, I was doing small sessions, there were a couple of laps of the pitch. From there, I started doing a couple of running exercises and then got to do a little bit work on the ball. Building up slowly like that and it kept going and thankfully I am where I am today."

As the midfielder returned to training just over two months ago, Dooley admits he feels a new sense of gratitude for the opportunity to work with his teammates once again.

"It's weird for sure. I was walking out to do something that I hadn't done in so long. Even the rest of the lads have been doing this day-in-day-out for months. However, I think going through what I have gone through has given me a fresh outlook on things.

"I think it's important that you don't get caught up too much on mistakes in training. In the grand scheme of things, if I misplace a pass or mis-control a loose ball then it's not something to be caught up on.

"It's the way you probably should play football. The more freedom you can play with the better you play generally. It's not always easy because there is a lot of external pressure. However, I have a lot of appreciation for where I am and what I have gone through to get here."

In continuing on the road to recovery, Dooley believes playing and training on a regular basis has helped to improve his confidence levels.

"I needed a lot of training under my belt before I could even consider playing in games. I wanted to make sure I was ready and up to the challenge. It was always day-by-day and then week-by-week, I wasn't looking to get ahead of myself.

"I played 70 minutes in the friendly against Guiseley and after that I got a couple of weeks training under my belt before playing against Accrington. I got 90 in that one and I feel like the whole process has been done right.

"I'm ticking off boxes every week, I'm enjoying that process and to get through matches is a huge confidence boost.

"We have a bigger squad so it's difficult. I have been out for a while and the other lads in my position haven't. It'll be tough but I feel like I'm getting fitter and fitter every week, I will keep working hard and see where it takes me."

BACK IN TIME SEASON 1959/60

TOWN'S CLUB HISTORIAN
PHIL HARRISON LOOKS
BACK AT TOWN'S
1959/60 SEASON AND A
BIG WIN OVER GOOLE

For 1959/60 campaign Town were a Yorkshire League Division Two side under Manager Jack 'Boss' Townrow, a former Chelsea and England International.

Town signed a wealth of talent this season to put them on the map with Yorkshire league professionals signing and well known local players. Secretary Charles Hartley said, "We've decided to go all out and get the best players that will be the finest Town have fielded. It's often said that Harrogate people will support an outstanding team so we're putting it to the test."

The first team drew their opening game but won the following four and went top of the league. This included a 7-0 home win over Dodworth M.W. with Arthur Everitt bagging four. A 3-0 win at Wetherby Road over local rivals Harrogate Railway Athletic when a crowd of well over 1,000 saw Everitt score two against his former club. In fact Everitt scored ten goals in the first five games. This was the striker's only season at Town during which he scored four hattricks and finished top scorer with 32 league and cup goals from 33 games - the second highest scorer in a season for Town since World War II. He did play one game in 1963/64.

On a snowy Saturday 16 January 1960, Town played their first round WRC Cup game at home against Goole Town Reserves. Town fans were disappointed at not seeing Goole's full first team squad but did see four of their side including Ernest Phillips who skippered York City's famous FA Cup run of 1954/55. It was a dazzling performance of Harrogate teamwork as they hammered Goole 8-0 with a hatrick from Everitt, two from Eric Kelshaw and one a piece from Peter Reynard, Reg Taylor and Bobby Ross.

Town went on to reach the Final but lost 1-0 to Farsley Celtic in a replay and finished fifth in the league.

Town's team v Goole: Cale, Rosindale, Ross, Taylor, Hill, Gunby, Pool, Kelshaw, Everitt, Reynard, Tordoff.

Above: Picture shows West Riding County Cup first round tie between Town and Goole Town reserves on Saturday 16 January 1960 on a snow covered pitch at Wetherby Road. In distance can be seen the old Heatherdene Hospital before it was demolished to make way for the Nurses car park in Lancaster Park Road. Arthur Everitt kindly lent me the picture and is seen far right of the four players, awaiting a loose ball and is still alive today.

BRADFORD CITY U18 VS HARROGATE TOWN U18

FRI 13 OCT | YOUTH ALLIANCE CUP
NORTHERN GROUP 1

BRA 1

HGT 1

An early first-half strike from Josh Brodella was cancelled out in the second half by Bradford City as both sides played out a 1-1 draw in the Youth Alliance Cup Group stage.

Despite Town taking an early lead, the first real opportunity of the match fell the way of the home side. As the Bradford striker raced through 1 v 1 with the goalkeeper, a superb last ditch tackle from Lewis Smalley was enough to deal with the danger.

Less than 30 seconds later, Town found themselves in front. A driving run from Josh Brodella saw him work his way into the Bradford box and as he unleashed a shot at goal, the deflected effort hit the back of the net and Town had the lead.

While the home side pushed forward determined to find an equaliser, a promising free kick made it's way

to the back post where a lurking attacker could fire at goal. However, a strong save from Alex Mooney ensure that Town held on to their lead.

Not to be disheartened, the Bantams again looked to ask questions of a determined Town back line. However, another strong save from Mooney and a wayward rebound effort ensured that Town would keep their noses in front.

With close to half an hour of the match played, Brodella came within inches of adding both his and Town's second of the game. A tidy bit of skill inside the box gave the number 7 space to shoot. However, the outstretched boot of the Bradford 'keeper did enough to deny him.

As an action packed first 45 drew to a close, it would take 15 minutes of the second half before the first serious

chance of note would occur. Jack Bray found space to shoot around 25 yards from goal but his sweetly struck volley was narrowly wide of the bottom corner.

With just nine minutes left to play, Bradford eventually found their route back into the match. A long ball over the top was met by the on rushing forward who calmly took the ball around Mooney and slotted home.

Second half substitute Oli Robinson had a golden opportunity to win it for Town in the dying moments. However, the 'keeper stood his ground well and produced a fine save to earn a point for Bradford.

Town: Mooney, Moorby, Pow, Hindle, Smalley, Taylor, Brodella, Lee, Obaratimi (Samuels 64'), Bray (Robinson 78'), Wilson (Nicholson 45').

HARTLEPOOL UNITED VS HARROGATE TOWN

SUN 15 OCT
NERWFL PREMIER DIVISION

Town Women took on Hartlepool United Women last Sunday in the North East Regional Women's Football League Premier Division.

Town started strongly and had the lion's share of the first 45 minutes, however, were not able to convert any of their opportunities and the sides went in goalless at half time.

Pools went ahead within two minutes of the restart after a mistake by the Town defence allowed Pools striker Hannah Dixon to hit a powerful shot from the edge of the box past Claudia Sandford to make it 1-0.

This fired up Town who levelled three minutes later. Pools failed to clear their lines after a corner and after Ellie Hall's shot hit the post, Hannah Whitehead was on hand to bundle in the rebound and make it 1-1.

Soon after, however, Hartlepool were awarded a free kick on the edge of the box from which Justine Robinson

restored the hosts lead with a 25 yard strike which curled over the wall into the net, grazing the underside of the crossbar.

Town applied pressure throughout the later stages in search of a leveller but failed to find an equaliser. They did have the ball in the back of the net as Rebecca Hitchen rounded the keeper to tap home but the referee adjudged that Hitchen had handled the goal, allowing Pools to hang on and claim all three points.

Town played some excellent football and were unlucky to not come away with anything, however, the ladies will take many positives into Sunday's tough Women's FA Cup Third Round Qualifying tie against Wigan Athletic.

Town: Sandford, Oldridge, Hall, Parkin, Whaley, Freeman (Needham), Devereux, Taylor, Williams (H. Whitehead), Lumsdon, Smith (M Whitehead, Hitchin)

INTRODUCING

MANSFIELD TOWN

IN THE DUGOUT

NIGEL CLOUGH

As a player Nigel Clough played mostly as a striker, and it was under father Brian's tutelage that he began his league playing career at Nottingham Forest in 1984. He made 403 appearances and scored 131 goals in two spells with the club, becoming Forests' second top scorer of all time. After three years with Liverpool, he wound up at Manchester City from where he returned to Forest on loan. He also collected 14 England caps. In late 1998, he moved into management as player-manager of Burton Albion in the Southern Football League and spent the next 10 seasons with the Brewers,

APPOINTED: NOVEMBER 2020 AGE: 57

making over 225 appearances and leading them to the Conference. In 2009 he was lured to Derby County, but after four seasons parted company with the Rams and took over at Sheffield United in October 2013.

He returned to Burton as manager in late 2015 and guided the club to the Championship for the first time in 2015-16 but stepped down in May 2020 due to the financial impact of the COVID-19 pandemic on the club.

He returned to football in November 2020, joining Mansfield as manager.

MEET SOME KEY MEN FOR THE STAGS

Matt West/Shutterstock

CHRISTY PYM

GOALKEEPER

The Stags completed the permanent transfer of keeper Pym from Peterborough United in July after the 28-year-old had enjoyed a season-long loan at One Call Stadium last season, keeping 14 clean sheets in between the sticks for Mansfield.

Pym started his career at Exeter City where he played 151 times across seven years in Devon. In July 2019, the keeper left the Grecians and signed for Peterborough. The Exeter-born player won the Sky Bet League One 'Golden Glove' award in 2019/20, keeping 15 clean sheets in an excellent season in Cambridgeshire and appeared 82 times for the Posh before spending the second half of 2021/22 on loan at League Two side Stevenage.

DAVIS KEILLOR-DUNN

FORWARD

Signing for The Stags in the January transfer window from Burton Albion, Keillor-Dunn, who can operate in both midfield and attack, began his professional career in Scotland.

After a two-year tenure at Ross County, the 25-year-old spent six months at Wrexham in 2020 before signing for Oldham Athletic in the summer of the same year. His 25 goals in 87 Oldham games earned Keillor-Dunn a move to Sky Bet League One side Burton where he spent the first half of the last campaign scoring five times in 19 appearances for the Brewers before moving to the One Call Stadium. This season he has already bagged eight goals for the Stags in 13 appearances.

ADEN FLINT

DEFENDER

Signing in August, the 6ft 6in centre-back began his career at Pinxton, before joining Alfreton Town in 2008.

In January 2011, he signed for Swindon Town, before moving on to Bristol City in 2013 where he scored 36 goals in 209 league appearances in five seasons, at Ashton Gate. A multi-million-pound transfer to Middlesbrough followed in 2018 before he signed for Cardiff City in July 2019, making 93 appearances in the Welsh capital. The 34-year-old landed a loan move to Sheffield Wednesday in October 2020 before joining the club again on loan in 2022 - having joined Stoke permanently in the summer of 2022. Flint played nine times for Stoke before making a 21 appearances for the Owls in 2022/23.

LOUIS REED

MIDFIELDER

Joining Mansfield Town in January from Swindon Town, the 26-year-old midfielder was an Academy graduate at Sheffield United, where current Stags' manager Nigel Clough gave Louis his first team debut aged just 16 in 2014.

After four years at Bramall Lane, the playmaker joined Peterborough United and enjoyed three seasons at the Posh, making 69 league appearances in Sky Bet League One.

The midfielder joined Swindon Town in the summer of 2021 and was voted the Robins' Player of the Season for 2021/22 by his teammates. Making 67 appearances and scoring five times, Reed joined the Stags following a hugely successful 18 months in Wiltshire.

HARROGATE TOWN AFC COMMUNITY FOUNDATION

TOWN FIRST TEAM PLAYERS VISIT LOCAL SCHOOLS

Over the last week we have had the pleasure of **Kayne Ramsay** and **Abraham Odoh** attending our **Girls only** intervention **"Town's Trailblazers"** at **Richard Taylor Primary School**.

The players took part in a Q&A session, with the girls asking them questions about a variety of topics including: how to deal with setbacks, how to be resilient and how to be professional athlete. Kayne and Abraham were full of excellent tips and advice and gave the girls lots of advice and strategies for how to keep a positive mindset.

Saltergate School were also extremely lucky to have Finn O'Boyle and George Horbury join our Premier League Primary Stars PE sessions this week.

The pupils used all of their literacy skills to prepare a mini-press conference for the players before their big game against Stockport County.

Following on from this the pupils will now write a match report about how the game played out. This is one of the brilliant ways that we utilise sport & football within our programmes to help children positively engage with literacy and help them to improve their written skills.

If you know of any schools who may be interested in working with us on any of our exciting programmes this year, please contact our PE and School Sport manager Rob Mason on **07832 323324** or **robertmason@harrogetownafc.com**

We are committed to helping others with making sustainable lifestyle changes that can positively impact their standard of living & overall health. We are proud to be the delivery partner of **MANvFAT** for the Harrogate region. **MANvFAT** is a national programme for men with a BMI of 27.50 or over.

Our coach, Tom and programme coordinator, Kate are here to help you, alongside a supportive network of captains and teammates.

MANvFAT provides an opportunity to socialise and have fun playing football whilst taking a holistic approach to your overall health and wellbeing, with a focus on making small changes that can have a big impact. We recently celebrated two of our participants achieving their 5% certificates and hope to see more doing the same soon!

Our session runs on a Monday evening at King James School, Knaresborough, from 6.30-9pm. If you're interested in joining the programme or you would like some more information, you can contact us on community@harrogatetownafc.com.

HOW IT WORKS

We are always looking for others who want to make a difference to the lives of those within the Harrogate & District area. If you are interested in volunteering within any of our programmes please get in touch via community@harrogatetownafc.com
