## FROM THE BOARD

# SARAH BARRY

### Well what a year !!

Firstly, I'd like to thank **EVERYONE** who has supported the club magnificently this year in what is our most successful season yet within the EFL. We've well and truly put Harrogate on the map as an established league club and I hope we've made our fans and our Town **PROUD!**

Thanks and appreciation for the commitment shown by the ENTIRE Harrogate Town AFC team on and off the pitch. Everyone has worked tirelessly throughout the season and will work even harder in the break getting ready for the new one!

As well as success on the pitch, we've had a great year behind the scenes too. We've finally completed the groundworks to reach the 5000 capacity, incl 2000 seats with the new South stands and facilities, kiosks and bars added last November which enables us to plan well ahead in preparation for the growing number of supporters.

Our **Player Development Centres** are thriving with the recent addition of our second PDC at **Rossett Sports Centre**, the home of our **Academy team** and both our **Women's First and Reserves teams**. With the introduction of new U5's to U7's sessions, combined with our established St John Fishers school PDC, we've seen rapid growth and now coach around 500 young people aged of 4 to 16 weekly.

We created our new **ED&I strategy** with everyone in mind and amongst many services, now provide sensory packs, rest seats, stoma toilets and a dedicated Disability Liaison Officer for disabled supporters and carers with an "at your seat" service. Our ongoing commitment to **Equality, Diversity, and Inclusion** was recognised as part of the **EFL Equality Code of Practice** with the club accredited with the **Bronze standard award**.

We've also focused on the **EFL Family Excellence scheme** and achieved the **Silver status**, now ranked **34th best club for Family Excellence** out of all 72 EFL clubs which is a fantastic improvement on our previous 61st position and Bronze status. This bumps us to **6th best club in League Two for Family Excellence** out of all 24 clubs.

We're seeing more young Supporters and first generation fans and have launched our first **Junior Supporters Club** as well as partnering with 15 local grassroots Junior Clubs across the Harrogate District through our **Kick Back scheme**.

Our **First Time Fans Initiative** was also launched and has proved a massive success with fans returning following a positive experience. Most commenting on the friendly family atmosphere.

**Our Sponsors** also deserve a huge thank you! We are grateful to have incredibly committed partners and we recently launched our first "**Your Harrogate Town Business Club**" in collaboration with **Your Harrogate Radio**. This was a big success with our First Team Manager Simon Weaver and Olympic sprinter, Roger Black as main speakers and is a networking event specifically for our mutual sponsors to meet in an informal and entertaining way.

We have lots planned for the season ahead as we continue to grow our fantastic club and remain fiercely ambitious as you've come to expect!

If you would like any further information regarding any of the above or would like to share any feedback, offer ideas or thoughts on how we can improve, please get in touch.

For now, it's been quite a year, enjoy the rest of the season and thank you again for your unbelievable support. I hope you've enjoyed it as much as we have.

## THE SKIPPER

# JOSH FALKINGHAM

**Today is of course our final home league match of the season and on behalf of all the players we would like to say a huge thank you for your backing and support over the course of this memorable campaign.**

Looking back to our first game of the season against Doncaster in August, it's great to see how far we have come in a relatively short space of time.

Throughout the course of this season, we have always been looking upwards at what could be possible if we perform to the level we know we are capable of and that has been exciting.

Of course, play-off positions would be a fantastic achievement for us. However, we must also recognise the achievement of surpassing our record points tally in the EFL.

To do so with five games remaining is credit to the lads, we have kept going relentlessly and picked up results.

In doing that, we have played and developed an attractive brand of football. That has allowed us to take on some of the very best at this level and battle hard for the three points.

That would not be possible without the collective group of players. Over the course of a season, every member of a squad will have to be called upon. We have a really good group of lads here, there is a togetherness and a shared belief in what we are trying to achieve.

Off the pitch, the club has been working hard to increase the capacity of our stadium to continue our development as a football club. Looking at our recent matches against Gillingham and Bradford those occasions are where the crowd come into their own.

The atmosphere here was strong and the togetherness allowed us to settle and play our brand of football. Hopefully next season, we can enjoy many more occasions like that.

However, we want to make sure we end the season on a high. MK Dons are a quality side, they are still in the hunt for the automatic promotion places and at this stage of the season have a point to prove.

As a group, we want to run through the finishing line of this campaign. We have gotten to this point with a strong back-line and fluid attacking play so we don't want to let that slip.

We were disappointed to concede late against Sutton. We battled hard and managed to get ourselves back in front but unfortunately couldn't get all three points.

We want to use that disappointment as motivation today to go one further. With a bumper crowd expected, we want to send you home into the close season with another strong performance and memorable result.

See you back here next season!

Please feel free to catch me on a match day or email me at [hamiltonmattoack@harrogatetownafc.com](mailto:hamiltonmattoack@harrogatetownafc.com)

**Hello and welcome to today's game against Milton Keynes Dons. As this is our final home game of 2023/24, I want to extend my heartfelt thanks to each and every one of you for your unwavering support throughout the season. It's been an incredible journey, and I truly believe that as a club, we've taken significant strides forward in numerous aspects.**

Today we welcome our Hall of fame inductee family members of Horace (Bob) Morphet who are attending the game, Horace was a popular sport man around Harrogate not only in football but also in cricket he was inducted into the Hall of fame in recognition of his 44 goals from 33 games to help Harrogate win the 1926/27 Yorkshire league title.

One of the most gratifying aspects has been the increase in our average crowd attendance compared to previous years. It's a clear indication that every single one of us is contributing to the positive energy surrounding our team. Moreover, it's been heartening to see so many new faces in the stands, especially young fans. Their enthusiasm is infectious, and I have no doubt we'll be seeing them back next season.

Our SLO team are busy every game and contribute massively to the match day experience, they are a massive value to the Club, and we all appreciate all their efforts and contributions so a

massive thank you from me and the whole of the Club to Phil, Fiona, Richard, and Maggie

The feedback we've received from first-time visitors has been overwhelmingly positive, and we're committed to continually reviewing and enhancing the matchday experience for all fans. Your satisfaction and enjoyment are our top priorities, and we'll spare no effort in ensuring you have a fantastic time at every game.

While we celebrate the successes of this season, it's also important to remember those we've lost along the way. Our dear friend Richard Cooper, who bravely battled cancer, holds a special place in our hearts. Richard was not just a fan; he was a season ticket holder, a regular on the supporters' coach for away games, and a player for our walking football team. I'll always cherish the memories of our chats during our Couch to 5k sessions organised by the community foundation. He was a passionate supporter and a genuinely wonderful person, and he will be deeply missed.

As we bid farewell to this season, let's also look forward to the excitement and anticipation of the upcoming one. Time flies, and before we know it, we'll be back here again. Thank you all for your continued support.

Be proud be loud.

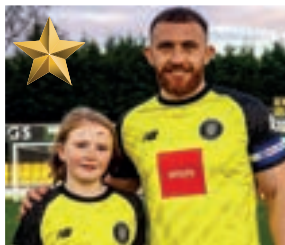

**Hamil**

## RICHARD COOPER

Richard Cooper sadly passed away on 21st March after a long battle with cancer. He was a keen supporter of the club and was a season ticket holder, attending both home and away matches with his son Jacob and friend Fraser. He was a valued member of the HTAFC Community Foundation and he also used to play walking football. He will be sadly missed.

His wife, Jackie and son Jacob would like to thank everyone for their kind messages and support. **RIP**

## ELLIE CLARKE

A special mention to **Ellie Clarke**, 10 who was our Gold Mascot for the recent game against Grimsby. She turns 11 in June and this was a special, early birthday treat for her. Ellie plays for Clifford Juniors in goal or on the left wing. Her favourite Town player is Abraham Odoh.

# Our Flagbearers SCOTTON SCORCHERS U7-10 BOYS & GIRLS

**We'd like to thank Harrgate & Craven School Boys U13s who have been our ball crew throughout the season.**

Comprising players from schools in the Harrgate and Craven area the boys represent their schools in matches in the Yorkshire federation league which spans from Scunthorpe to Salford and Sheffield to York. Throughout the season, the team competes in various tournaments and matches, showcasing their abilities and representing their district with pride.

The boys attended trials back in June 2022, nominated by their PE teachers and from the hundreds of boys in the district 24 were selected. These boys come from many schools across the district including Ripon Grammar, Erymstead, South Craven School, Harrgate High, Rossett, King James, Ashville, St John Fishers and St Aidan's.

Every season there is trials for the next cohort of boys so anyone interested please speak to their PE teachers.

With a focus on developing young talent, the team is dedicated to honing their football abilities while also emphasising the importance of academic excellence and good sportsmanship. Coached by experienced mentors, the players are provided with the guidance and support necessary to excel both on and off the field.

Several of the boys this year have been signed or are currently talking to a number of professional clubs and we regularly get scouts watching.

More recently the district has formed a partnership with Harrgate Town which has seen the boys support the club on Ball Crew duties as well as develop closer links to create a wider partnership between the two clubs.

# SIMON WEAVER

*IT'S A FRIDAY AFTERNOON, THREE LEAGUE MATCHES ARE ALL THAT REMAIN FOR SIMON WEAVER AND HIS HARROGATE TOWN SIDE THIS SEASON. FOR THE MEN IN YELLOW & BLACK, IT'S BEEN ANOTHER MEMORABLE CAMPAIGN WITH THE CLUB SITTING FOUR POINTS OUTSIDE THE PLAYOFF PLACES.*

*STATISTICALLY SPEAKING, IT'S THE MOST SUCCESSFUL SEASON FOR BOTH SIMON AND HARROGATE TOWN. LAST MONTH'S VICTORY OVER GILLINGHAM ENSURED THE CLUB SURPASSED THEIR RECORD POINTS TALLY IN THE EFL WITH SEVERAL MATCHES TO SPARE.*

*HOWEVER, WITH TWO PROMOTIONS, TWO MATCHES AT WEMBLEY AND SILVERWARE TO TELL THE TALE, THE QUESTION IS POSED. 'IS THIS YOUR MOST ENJOYABLE SEASON AS TOWN MANAGER?'*

*INTERVIEW BY NICKOLAS MCINALLY*

**Contemplating the question, Town's boss said: "You get the ecstasy from a promotion, lifting a trophy and lads receiving all the medals, so there are a lot of wow moments from achieving that.**

"This season has felt like a really good journey, there have been big bumps in the road but we've managed to just get through everything pretty well.

"We've been rocked a couple of times, but it's not knocked us out. We have grown from each disappointment and we have become better. It's right up there enjoyment wise, we have watched the group work together through issues and come through the other side better.

"It's not quite the high of promotion or winning something but it's certainly right up there for me. We have smashed our record points tally in the Football League and enjoyed so many strong performances."

In a season with so many highs, both George Thomson & Jack Muldoon have led the way in terms of performances and goals in toe.

Of course, the pair are no strangers to success with Harrogate Town. With this in mind, Simon Weaver can not hide his delight in discussing his highlights of the current campaign.

"That's as rewarding as any medal (their success), really. When you talk about a highlight from this season, all I need to do is to take a look at the goals column with both George Thomson and Jack Muldoon excelling for us.

"They're great examples to the younger players in our junior teams to keep working hard. They are two great lads who never cut corners and that work has paid off for them.

"At this point, there would be a lot of people out there who would think it wouldn't pay off for them and lose belief. Speaking on those two, I think they are better players than they ever have been.

"Jack Muldoon is 34 now, yet he has still been one of the shining lights for me. Thommo has been so consistent across the season and has to be in contention to be our Player of the Season."

Fitting perhaps, the pair find themselves on the scoresheet less than 24 hours later in our penultimate home match of the season against Sutton United.

Despite his side being denied victory late on, Weaver believes success of this season can be quantified beyond the league table.

"You can get your iPad out, you can get on the training pitch and you can show on videos. However, the players try to get on the front foot in games, they show a bravery and a courage to try and pass our way through the thirds from the edge of our own box.

"For me, that shows a real buy-in for what we are trying to do. We believe in the lads and have a fondness for their quality as individuals and we have had that paid back.

"We have shown a combination of grit and real style at times. We lost Luke Armstrong at the start of the season really so we had to redesign it.

"We looked at the players we had and identified a way to get the best out of them. However, we had to work hard at that style but the rewards of that are the results it has brought about."

In terms of on the field results and performances, February's draw with Stockport is a poignant moment for Town's longstanding boss.

While the score column will tell a 1-1 draw, for Town that Saturday afternoon meant so much more.

"Obviously, the run of 20 points from 10 games was brilliant. We went to Stockport and for the first 15 minutes, we were playing on a totally different level.

"They are a team who have won promotion automatically but we got the ball flowing and could see there is a happiness in the changing rooms. They understood their roles, held belief and scored a really good team goal that day.

"However, a performance like Crewe away, on the back of a big defeat. They were third in the league, battling for automatic promotion places.

"That was where we needed a reaction to the Mansfield defeat but that was immense. As manager, you need people like that with you. That was such a rewarding feeling for the way the lads gritted their teeth.

"You need a big dose of that if you want to do well. We also had a good win against Bradford, it was a difficult day with the conditions but it was a derby day classic."

When assessing these performances, it's important to consider the recruitment of the current campaign. With several of our summer signings performing well, Weaver praised the work of Lloyd Kerry in his Head of Player Recruitment role.

"The recruitment work we have been doing, since January of last year, has gone up a level. It definitely helps being more established as a Football League side.

"Another big part of that, comes from having a quality guy like Lloyd Kerry in there. We trust his judgement in players and believe in his ability to bring options to the table. He also needs the traits and characteristics it takes to play for this football club.

"Everyone recruits differently but we try to look at the person as well as the data. I don't see any data that puts a value on what they're like off the pitch.

"Looking at last season, I was

delighted when we signed Anthony O'Connor. I got on with him straight away and you could see he is very passionate about the game.

"His emergency defence is brilliant, he doesn't spring a surprise. He's so reliable, absolute rock solid and a very talented footballer."

Despite opening day victory, three defeats to Forest Green, Tranmere and Accrington would quickly follow.

Reflecting on this difficult patch, Weaver insisted that belief did not drop as the group pushed to find that winning formula.

"We were searching for a bit to find the right formula, sometimes the disappointment of defeat can consume you. We had two defeats against Tranmere and Accrington which were bitterly disappointing in the space of a week.

"At that point, it's trying to manage other people in the right way and explaining to them where we needed to improve. We pointed out things that weren't up to scratch if we wanted to be successful.

"The reaction, long term, has been really good. We have values here of working hard and giving our all and I don't think any of the lads can be faulted."

As the season approached a busy run of winter fixtures, Town began to find form with four wins and two draws during the months of November and December.

Having pushed through a slower start to the season, Town's boss felt a strong mentality growing within the fresh group.

"It was a great time for us all and at that point, you go home each day thinking the lads are flying and they're happy. They understand their roles, we're playing a good brand of football.

"After about 10 games, no one had really sussed us out to the extent where they've suppressed our style so we were still creating more chances in the opposition.

"It was a stylish way of playing and winning as well, all good runs must come to an end but it's a great period to look back on because we were flying high at the time.

"Since then there has been a good squad mentality which is to not go under, especially away from home. We play at bigger grounds, hostile environments but they get down to business and work hard.

"We've had good energy out of possession, good communication across the back and we have the pace and ability to break on teams. All of that has combined to play a big part in our success."

As the calendar turned and the January transfer window opened once again, Town quickly sprung into action to secure the signature of loanee and former stopper James Belshaw.

Injuries to Mark Oxley, Lewis Thomas and Jonathan Mitchell had forced Town into action by securing the 33-year-old on an emergency loan basis from Bristol Rovers.

However, with a string of impressive performances, Town quickly moved to make the transfer a permanent one.

"We were struggling with injuries, Ox started the season really well and then ended up getting injured. Lewis came into the team and picked up an injury himself in training.

"Mitch played really well too, unfortunately he got injured and we were short for options. Lloyd turned to me and mentioned Belly, straight away I was keen to get that done.

"Within 48 hours, he's here. He gave us so much that first game against Notts County, he has the quality which enables us to build from the back.

"He has always been a fantastic keeper but I think he has gone up a couple of notches since he was last with us."

As Town navigated their way through the difficult month of January unbeaten, Weaver picked up the Sky Bet League Two Manager of the Month award.

However, this unbeaten run was abruptly brought to an end at Mansfield on the 13th of February as Town were defeated 9-2.

Now, over two months later, Weaver believes that experience has helped him to improve as a manager.

"I'm not going to sit here and say you just dust yourself down because it was much harder than that. We woke up the next day and felt rotten, we were worried about the players and our professional pride.

"As manager, you sometimes worry about the aftermath of a poor run or a bad result in the undermining of confidence. It can lead to quite a blip at times and the real stopping of positive and proper momentum but while they may be down we don't want them out.

"There is no getting away from the fact that it took a kicking that night, that is where it is important to rationalise the situation.

"For a long time this season we have been very good, for weeks on end actually. For 90 minutes, we weren't. We were punished for that and sometimes that can happen in football.

"We were playing on a difficult pitch, against good opposition but looking back there are some things we would change to get a better outcome.

"However, going into the Crewe game, I was determined to give the same group that opportunity straight away to bounce back. They needed the opportunity to get that rotten feeling out of their system.

"We went into that one unchanged and looking at the performance I think it was the biggest statement to the world about the grit we have. We will get back in the ring because we want to win."

With three wins and five draws since the beginning of March, Town and Simon Weaver have set about ensuring they end the campaign strongly.

In looking ahead to next season, Town's boss is asked, "What does progress look like for you next season?"

"I do feel that off the pitch we are rock solid, Sarah Barry is an outstanding Chief Executive. She manages people really well off the pitch and there is a real togetherness across the club.

"You can see the development of the club in our stadium. The new stands really look the part and we are maximising our income to help make the club more sustainable and more stable for the future.

"We want to help the local community, we are looking at what we can do to achieve that aim and hopefully bring in new supporters.

"On the pitch, I would love to be a consistent and confident looking top ten team at this level, hopefully that means taking the odd shock result out of it.

"That drive to improve is there across the football club as a whole, we want to improve our offering to women's football to get more girls in the local area playing football.

"We are looking at what we can do to engage with Harrogate locally, we are lining up a few things for pre-season to bring the fans in and familiarise them with the players as people.

"If we are to excel as a club it has to be a holistic view of things. We have come so far over the last couple of years so if we can keep that journey going then we will be in a really good place.

# Inflation hits hard

Despite inflation hitting a staggering 8% this year, government funding received by Saint Michael's Hospice has increased by only 1.2%, leaving a £500,000 funding shortfall.

## SATURDAY 27 SEPTEMBER 1958

TOWN'S CLUB HISTORIAN  
PHIL HARRISON LOOKS BACK  
AT A MEMORABLE GAME  
IN OUR HISTORY

**Left:** Harrogate Herald picture shows FA Amateur Cup action at Wetherby Road on Saturday 27 September 1958.

**From Left to Right:** Arthur Everitt (light shirt), Alan Taylor, Geoff Lund, Eddie Buck, Vic Clark No 3, Ken Fountain and Brian Newton

**Below:** Further action with Everitt's first goal for Rail.

**From Left to Right:** Lund, Derek Kempster, Geoff Walker, Peter Reynard, Clark, Buck (hidden) and keeper Taylor. St. Andrews Council Estate in distance and goalposts are south side.

Pictures kindly supplied by Arthur Everitt who scored 32 Town goals 1959/60

**For the final History page this season we go back some 65 years to Saturday 27 September 1958 as Town and Harrogate Railway met for the first time in the Preliminary Round of the FA Amateur Cup.**

The FA Amateur Cup was basically a non-league version of the FA Cup and was replaced with the new FA Trophy in 1970, which Town won in 2020.

In 1958/59, Town were playing in Yorkshire League Division Two and Railway a league higher in Division One.

Railway won the tie 4-1 at Wetherby Road thanks to goals from future Town player Arthur Everitt (2), Peter Reynard and Kenny Fountain with future Rail player Dave Nolan scoring a consolation for the hosts. There were seven former Town players playing for the Rail that day and despite the visitor's being second bottom of their league, class told. Town were without Ross, Hutton and Wallace as they didn't qualify having been professionals and brothers John (who had recently joined Rail from Town) and Geoff Walker had

made their first appearances of the season in this game.

**Town XI:** A. Taylor, Buck, Clark, Newton, Lund, R. Taylor, Todd, Davey, Wall, Nolan, Cooper. Rail fielded: Glaister, Hawkes, Tyson, W. Smith, Hill, J. Walker, Reynard, G. Walker, A. Everitt, Kempster and Fountain.

Railway under 'Chick' Farr, were relegated to Division Two at the end

of the season whilst Town under Jack 'Boss' Townrow had finished mid-table. Top Town scorer was Laurie Hutton with 17 goals with Rail's Kenny Fountain scoring 20. I do know that Arthur Everitt, Eddie Buck and Geoff Walker are still alive and will be expecting this programme from me shortly!

# INTRODUCING MILTON KEYNES DON'S

## IN THE DUGOUT MIKE WILLIAMSON

APPOINTED: OCT 2023  
AGE: 40

Williamson arrived at Stadium MK in October following an impressive four-year spell in charge of Gateshead, during which time he established the Heed as National League promotion-contenders after taking over the Tyneside club following their demotion to the sixth tier. A former Premier League defender with Portsmouth and Newcastle United who made 466 senior appearances, Williamson is a four-time promotion-

winner across his playing and managerial career, including from League Two with Wycombe Wanderers in 2009. Since retiring from the game, the 39-year-old has garnered a reputation as one of the brightest young managers outside the EFL. His Gateshead team won the National League North title with 99 goals scored and were known for their attacking, possession-based football.

Dave Shopland/Shutterstock

## WARREN O'HORA

Warren O'Hora is into his third season with MK Dons, having joined the Club, initially on loan, in August 2020. The Irishman began his career with hometown club Bohemians before joining Brighton & Hove Albion in May 2018. He made his loan move to Stadium MK permanent midway through the 2020/21 season and has made over 100 club appearances. This season he has been almost ever-present in the back line for the Dons.

## JACK PAYNE

Joining on a season-long loan from Charlton Athletic, Payne made his pro debut for Southend United back in August 2013. Since then the midfielder has over 400 career appearances for eight different clubs spending the majority of his career at League One level, during spells with Southend, Swindon Town, Charlton, Bradford City, Oxford United, Lincoln City and Blackburn Rovers. He also played in the Championship with Huddersfield Town.

## ALEX GILBEY

The previous two-time MK Dons Player of the Year award winner returned to Stadium MK last Summer following his departure from Charlton Athletic.

A product of Colchester United's academy, he went on to make 121 appearances for the U's after making his senior debut for the club at the age of 17 in October, 2012 before joining Wigan Athletic in 2016. Gilbey then moved to MK Dons in 2017, playing 105 games and scoring 11 goals in his three years at Stadium MK before signing for Charlton in August, 2020. The midfielder recently achieved his second promotion from the Sky Bet League Two division whilst on loan with Stevenage, his first promotion was achieved with the Dons during the 2018/19 season.

The 29-year-old has 11 goals and 10 assists to his name this season.

## DANIEL HARVIE

Harvie, 25, moved to Stadium MK from Ayr United in July 2020 and has since made over 100 appearances. Born in Glasgow, Harvie began his career with Aberdeen and made his senior debut in March 2016. The left back, who joined Ayr United in July 2018, made 116 senior club appearances during his time north of the border, while he also totalled over 20 international caps for Scotland at every youth level from Under-15s through to Under-21s.

## MAX DEAN

Joining MK Dons in January 2023 from Leeds United, Dean, 20, is a highly-rated young striker who came through the Academy ranks at Elland Road and was a prolific scorer for Leeds' youth teams. Stepping up to the Under-21s in 2020, Dean hit 16 goals in just 27 starts for the Whites' development side while he also found the net three times in six EFL Trophy appearances. This season he is the Dons top scorer with 14 goals to his name
